

## **Choosing a Checking Account**

When choosing a checking account, you want to use a bank or credit union that works best for you and your needs. Before you open an account, take a moment to ask yourself the questions below. Then compare accounts in the chart below. This will help you feel confident in the account you choose.

## Questions to ask your self:

- 1. How much money on average will you keep in the account?
- 2. What features do you want for your checking account? Is a savings account available?
- 3. Will you use online banking or in person banking more?
  - a. If you go in person to a bank, what banks/ credit unions are close to you?
  - b. What are their hours?
- 4. How often do you use ATMs?
  - a. Are there ATMs near where you live or work?
- 5. How often do you use Checks?
  - a. Will the bank charge for checks?
- 6. What type of fees do you want to avoid?
  - a. What are the ways to avoid fees?

## **Checking Account Check List**
