

## Where did my money go?

Tack your spending through out the week to see where you spend your money. By doing this you can see if there are any leaks in your budget or if there is any where you can save money. Little expenses can add up so keep note of everything!

I started the week of _____ with \$ _____			
Item	Cost	Is it Essential? (things you can't live with out)	Is it a want? (things that you can survive without)
Sunday			
Monday			
Tuesday			
Wednesday			
Thursday			
Friday			
Saturday			
Total			
How much money is left over:			
One item cost \$ _____ X 52 (weeks)= _____ how much I spend on this item a year
